

Online Court Booking System « Carol »

Booking at the Club

1. With the help of the track-ball, select the free court and time at which you want to play or click on the name of your partner if he is already registered. The identification space will appear.
2. Enter your membership number in the "identification" space and click "Enter" then place your finger in the fingerprint reader when it comes on.
3. The booking board reappears with your name on the court you just booked if all required conditions are fulfilled. In case you select an hour which would leave a gap between games, the system will automatically eliminate the gap by sliding towards the earliest free playing hour available.
4. The playing hours generally are :
adults: single 60', double 75' / juniors: single 45', double 60' / minis: single 30', double 30' / no booking authorized for juniors and minis between 12 and 2 pm and as between 5:30pm and 8pm.
5. To become effective, each booking must be confirmed on the Club's screen. Failure to do so will automatically cancel your booking 5 minutes after playing time.
6. One booking is required up to 5 minutes past playing time. Past the 5 minutes limit, the booking will automatically be cancelled if the second name is missing or all bookings have not been confirmed.
7. When playing a double, the playing time is 60' provided 1, 2, or 3 players have registered. It is extended by 15' as soon as the 4th player registers provided the 15' are still available, which brings the playing time to 75'.
8. If you run into problems, make sure you got the right date on the chart. If not, enter "Today" in the left under the calendar and start again.
